

# 2017/2018 Adult Sunday School Classes

**Women's Study Class** – As members of FPC Women's Sunday School Class, we seek to grow in the grace, knowledge, faith, and love of Christ by studying various Bible studies pertinent to women. Our class is diverse in age and life circumstance. We invite and welcome any women to join our class. We meet in the FPC Kids House.

**Little Chapel Class** – New teachers will lead this class. Micah Monaghan and Clayton Stanley will dive into Scripture and Christian authors. We meet in the room across from the library.

**Fidelis Class** – Led by Randy Long and Bobby Scott. This class follows the Scripture Union devotional "Encounter With God." Sunday class focuses on discussion of the prior week's devotional readings. We meet in the Education wing. Enter through the north doors and turn left. Our room is the first on the right next to the choir rehearsal room.

**Faith-Driven Family Class** – Led by John Shipp. For middle-aged couples in their 30's and 40's seeking to lead their families to love the Lord above all else. We will be using a video series called "Basic: Who is God?" and Basic: We are Church" both by Francis Chan. We will meet at the KidsHouse behind the Fellowship Hall.

**Crossroads Class** – Led by Orma and Terre Smith. Everyone is invited! We will study one book of the Bible at a time. We go slow, there is no homework and you only have to talk if you want to. We are currently in chapter four of the Book of Acts. Come join us. We meet in the great room of the Youth House.

**Men's Chapel Class** – Led by Rick Grier and Greg Kiddy. We will be studying Sarah Young's "Jesus Lives: Seeing His Love in Your Life". Sarah's devotionals will help us as we go through the circumstances of life. We begin with a time of prayer each week. We meet in the education wing, second door on your left from the north entrance.

**Pastor's Class** – Rev. Waring Porter will be leading the Pastor's Class for all who are interested in joining FPC and learning what it means to be a Presbyterian. Dates for the class will be announced in the bulletin.

***"For everything that was written in the past  
was written to teach us,  
so that through the endurance  
taught in the Scriptures  
and the encouragement they provide  
we might have hope."***
