Re: Tremendous Tuesdays

Date: May 8

Our summer Tremendous Tuesday program returns this year with a few changes to the guidelines. Here is the landscape: We have a variety of activities on the schedule that should interest everyone at some time. Different activities have different guidelines. **Prior sign-up is required for each activity and those deadlines are listed on the schedule.** Eligible kids are Pre-K - 5th grade based on the 2018-19 school year. In addition, you may see some enhanced requirements for some activities involving water.

The biggest change to our Tremendous Tuesday program is the addition of a Bible teaching component to each scheduled activity. There will be a 30 minute Bible teaching time which may include discussion, relevant games, crafts, puzzles, etc. for each Tremendous Tuesday. The format is similar to our KidsQuest program. That teaching time may be prior to leaving for our outing or during the outing. If prior to leaving, that time is already built-in to the check-in time. We love fun, but what we love and value most is teaching kids about Jesus and The Word of God. That is the most integral part of any ministry, including ours.

We look forward to spending the summer with our and your amazing kids! Scholarships are available.
