5th & 6th Graders - Led by Dawn Johnson, Paige Frame and Courtney Monaghan. They meet in the Education Wing, located behind the Sanctuary. They are currently using the DWELL curriculum. God's story is exciting—and it's ongoing! DWELL invites kids to live into God's story of creation, fall, redemption, and restoration. And it encourages kids to live out of God's story every day as they respond to God's call. Each DWELL session provides fun, interactive ways for leaders and kids to learn and explore as together they find their place in God's Big Story.

Kindergarten - 4th Grade - Led by Laurin Porter, Brittany Bryant, LeeAnne Price, Lauren Butler, Laura Kate Carmichiel, and Jennifer Sexton. They meet in the Education Wing, located behind the Sanctuary. They are currently using the "Trackers of Truth" curriculum, by Sara Berry. Trackers is a program designed to develop the basics of Christianity in our children, instilling in them a knowledge of where truth is found, examples of Biblical "Trackers of Truth," and a desire to seek truth for themselves. Using a mixed agriculture and time-travel theme, the children will go through the Old Testament in chronological order, learning many highlights of the Old Testament stories. At the same time, they will learn of the many glimpses of the coming Savior, as revealed in the New Testament. They will soon understand that in the Old Testament, Jesus was present but concealed, whereas in the New Testament, Jesus was revealed. Each week, the children will also learn practical lessons of personal application to assist them in their own spiritual growth.

The Education Committee (TEC) is promoting five “Connect” classes this spring. Four classes will run from 4 to 8 weeks. The fifth class, Bible Recap, will continue for a full year as it is a “read the Bible in a year” with podcast. TEC’s vision is to:

1. Offer discipleship/gospel classes in addition to existing Sunday School though not necessarily at traditional Sunday School times
2. Encourage others (members & non-members) to become involved with FPC “connect classes” especially during this time of isolation and re-engagement
3. Offer shorter term classes with an emphasis on essential disciplines of discipleship
4. Offer ways to connect with in person on church grounds as well as offer virtual options such as podcasts and Zoom
5. Support and blend well with all other ministries and classes ongoing at FPC
