God's story is exciting—and it's ongoing! DWELL invites kids to live into God's story of creation, fall, redemption, and restoration. And it encourages kids to live out of God's story every day as they respond to God's call. Each DWELL session provides fun, interactive ways for leaders and kids to learn and explore as together they find their place in God's Big Story.

**Pre-K thru 4th Grade** - Led by Laurin Porter, Jennifer Shipp, LeeAnne Price, Karen Frame, Laura Kate Carmichiel, Penny Long, Dr. Stephen Blair, and Jennifer Sexton. They meet in the Education Wing, located behind the Sanctuary. They are currently using the "Trackers of Truth" curriculum, by Sara Berry. Trackers is a program designed to develop the basics of Christianity in our children, instilling in them a knowledge of where truth is found, examples of Biblical "Trackers of Truth," and a desire to seek truth for themselves. Using a mixed agriculture and time-travel theme, the children will go through the Old Testament in chronological order, learning many highlights of the Old Testament stories. At the same time, they will learn of the many glimpses of the coming Savior, as revealed in the New Testament. They will soon understand that in the Old Testament, Jesus was present but concealed, whereas in the New Testament, Jesus was revealed. Each week, the children will also learn practical lessons of personal application to assist them in their own spiritual growth.
