Dear Parents,

Attached are your children's memory verses for the Fall 2020 quarter. Please place them in a visible spot in your home and work with your children to help them learn their verses. Children can recite their verses and catechisms weekly before Sunday School for candy. Those who meet their goals at the end of the quarter will receive a special prize and recognition.

Please make this task a priority for your family. It is our most important job as parents to nurture our children in the Lord and equip them spiritually to do 'battle' in our fallen world. God's word is the weapon we are given to defend ourselves and our faith. By beginning early and continuing this habit throughout a child's life, we are preparing warriors for God's kingdom. The scriptures are treasures hidden in their hearts that will be with them all the time, even we are not there to guide them.

Read the verses, talk about them, and remind them of the importance of God's word being a daily priority.

In His grip, Laura Kate Carmichiel and LeeAnne Price

**“These commandments I give to you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home, when you walk along the road, when you lie down and when you wake up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.”**

**Deuteronomy 6: 6-9, 11:18-21**
